

## TEAMSPEAK 3

Sunder II provides a free team speak 3 server for players. Currently it is not pass worded and is available to everyone. In the future it may be pass worded so check with one of the Sunder Junkies or ask in the Sunder II server.

Download and install:

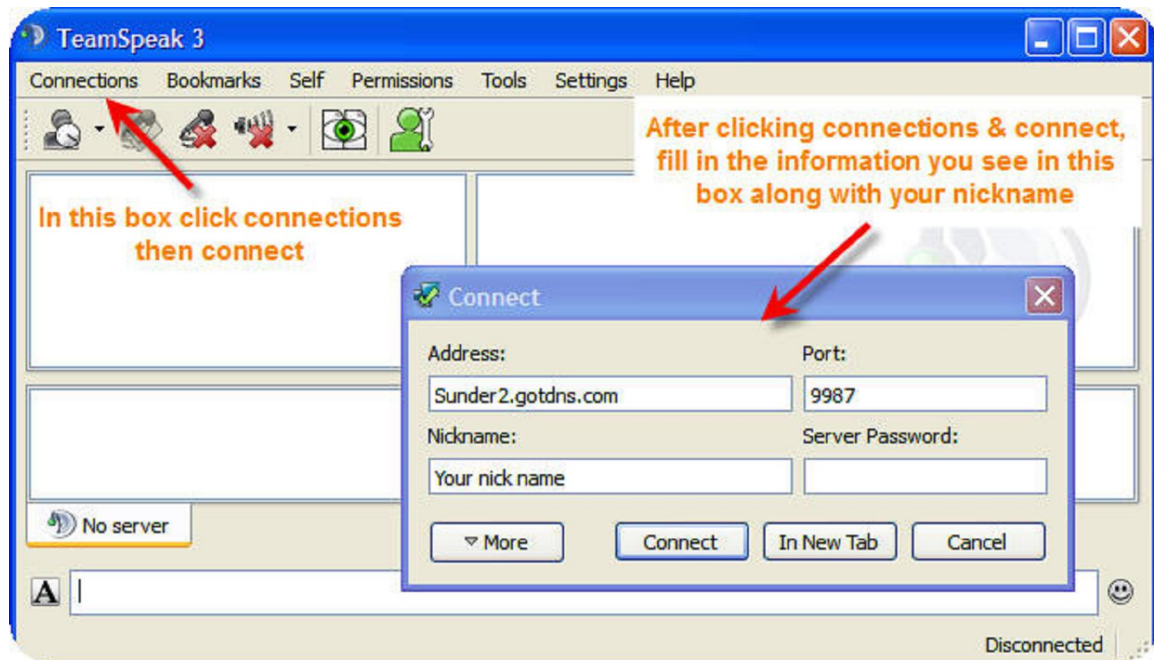

Team Speak 3 or TS3 can be found here > <http://www.teamspeak.com>

Connection information for the server:

Address: Sunder2.gotdns.com:9987

Open Ports required: UDP 9987

Password: No password required

You're in ;)
